# A TRULY SPECTACULAR MANSION

## Lake Geneva - Messery

**This outstanding Domain is a true entertainer's masterpiece, offering a balance of privacy and Lakeview living yet within easy distance of the bustling international city of Geneva. The mansion looks over the lake towards Nyon in Switzerland and sits along the coast from the well-known spa town of Evian-les-Bains. All secured on a park of about 29.500 m<sup>2</sup>.**

### SITUATION

Impeccably furnished, the estate includes an enormous main home - The Palace – of about 3.000 m<sup>2</sup> habitable, including a family villa, a private guest villa, three caretaker's cottages and a private mosque. The property is set on the edge of the lake and, whilst it provides a wonderful sense of privacy, the villas are also conveniently placed.

### BUILDINGS

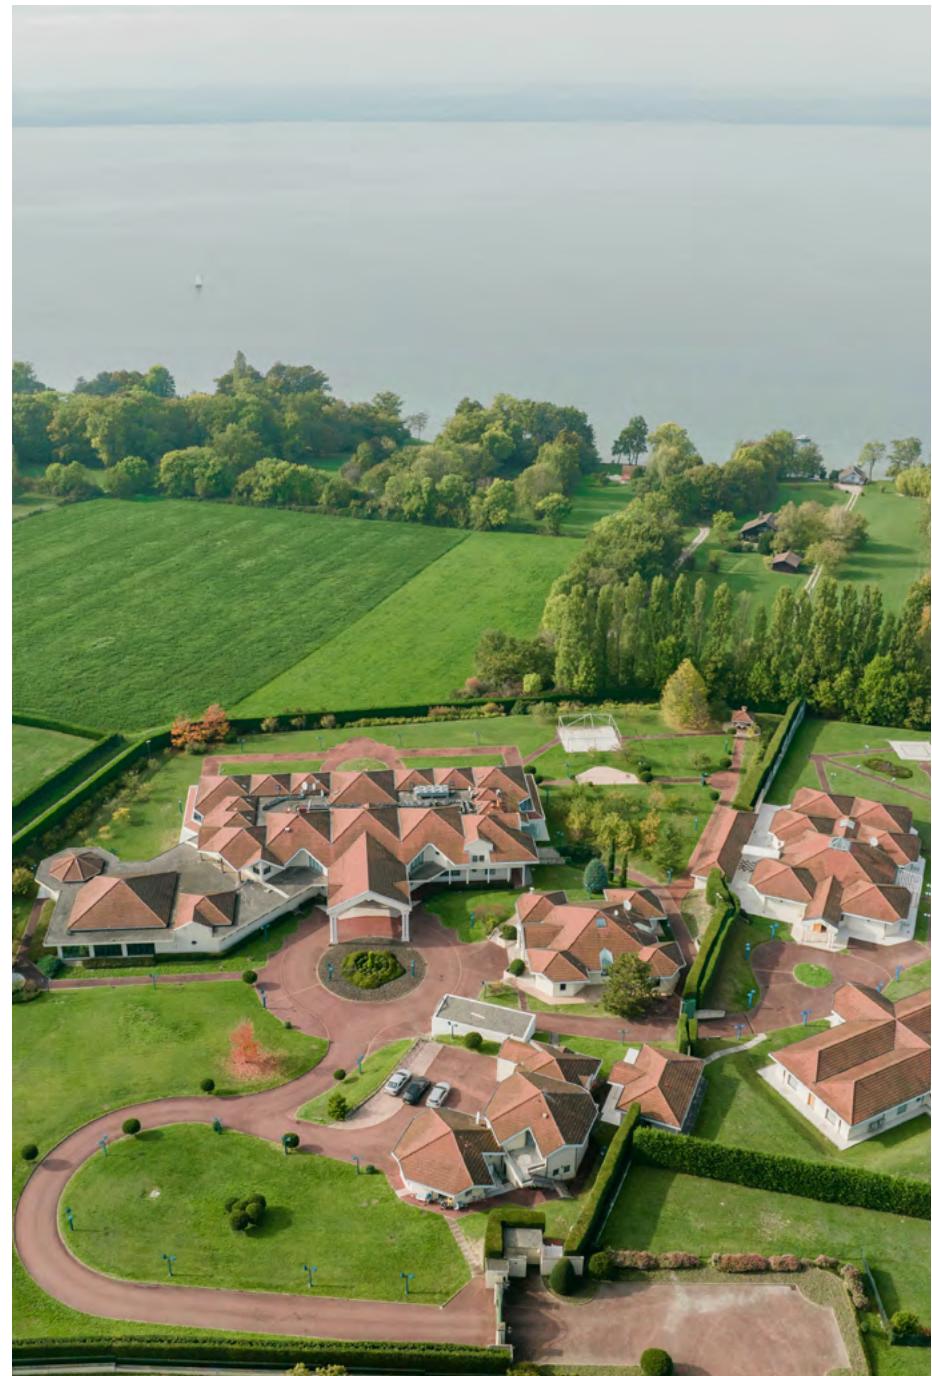

The Domain is offering six buildings of a total size of about 6.000 m<sup>2</sup>, built in the early 1998 by a famous French Group. A famous Italian designer did take care of the inside decoration and of the full furniture made especially for that Palace.

### THE MAIN VILLA

The main villa is perfectly positioned offering unparalleled views across the Lake. A truly spectacular mansion. Including the basement, the villa is offering 15 en suite bedrooms with their own bathrooms. The residence offers the rare opportunity of space and privacy rarely seen within this exceptional location. The residence is discreetly positioned within its own gated domain complete with high tech security and video systems, leading onto a private driveway on to the imposing main entrance door with its wooden mosaic.

Upon arrival, the oversized double doors are positioned to the center of the residence leading into a lobby with over 4 meter ceiling height, one elegant lift and two atria to each corner of an ornate sculpted wall and a scintillating enormous crystal chandelier designed by an Italian firm.

An incredible “lobby” in order to celebrate the access to that iconic property. On the ground floor you may find certainly the largest indoor swimming-pool available right now plus two impressive living rooms for the owner of that mansion.
